

PRESS RELEASE:

FORMER CERTIFIED BC SAFETY COUNCIL CSO STUDENTS

RE: Trade Safety Coordinator (TSC) / Construction Safety Officer (CSO)
Re-Certification Exam

\$75.00 plus applicable taxes
3 hour exam with a 4 hour time allotment

ER Plus Risk Management Group Inc. has purchased all rights to training / re-certification of the BC Safety Council's Trade Safety Coordinator (TSC) & Construction Safety Officer (CSO) courses. Valid re-certification of these tickets must go through ER Plus Risk Management Group Inc.

This open-book exam is offered on an appointment basis for individuals or groups who require renewal of these BC Safety Council CSO Certifications. Pre-requisites: Proof of BC Safety Council CSO Certification and a letter from an employer proving 12 months of CSO work experience within the last 42 months with 6 months of this work experience occurring within the last 18 months. The minimum passing grade for this re-certification is 75%.

ER Plus Risk Management Group Inc. will supply individuals with a copy of the Occupational Health and Safety Regulations and the Workers Compensation Act to reference during the exam. A printed copy of the Occupational Health and Safety guidelines will also be available for reference. For groups, these items can be purchased/pre-ordered prior to writing the exam through ER PLUS Risk Management Group Inc.

This re-certification exam can be attempted once. If the student is not successful, it may be necessary to take the TSC / CSO course again. A meeting with an ER Plus Risk Management Group Inc. Instructor will be required for evaluation of any unsuccessful grades.

This exam is offered at our newly renovated Head Office and Training Facility located at Unit 150 – 11120 Horseshoe Way, Richmond, BC V7A 5H7.

Please do not hesitate to call (604) 275-9070 or email (info@erplus.com) for any questions or for further information.
